Directions by car

From the M11

Take junction 10 off the M11, and head for Royston on the A505. Continue along the A505 heading for Royston and pass a service area on the left. Take the second right after the service area (signposted for Melbourn). Continue for approximately two miles (this will take you into the village). At the traffic lights, turn left. Continue through the village, and take the left past The Dolphin Pub into Back Lane. PA Consulting Group is on the right.

From the A10

Turn right off the A10 (if travelling north), or left (if travelling south) north of Royston, signposted for 'Melbourn Village and Industrial Area'. Take the first right into Back Lane and the Industrial Area. PA is on the right.

From Cambridge

Take the A10 southbound, signposted for Trumpington. Once through the village of Harston, follow the third sign directed towards Melbourn, which will also read 'Industrial Area'. Take the first right into Back Lane. PA Consulting Group is on the right.

Directions by public transport

From Royston Station

There are two trains leaving every hour for Royston Station from London King's Cross Station. The taxi journey from the station takes 10 minutes.

Parking

Ample parking is available at the front of the building. Two car parks are located on either side of the main driveway into the PA site. Turn into the park on the left, and proceed straight ahead. Visitor car parking is located at the bottom of the steps which lead to reception.
