Directions by car/taxi

From the airport

Journey time is approximately 20 mins.

Follow the sign 'D89 Deira, Al Garhoud Cargo Village', out of the airport. Stay on the right side of the road and go up the ramp, following signs to Abu Dhabi and Jebel Ali. Continue over the flyover; when coming off the flyover join the lane signposted to Jebel Ali. After 1km follow the signs for Jebel Ali and Abu Dhabi (E11), and continue straight over Garhoud Bridge (over the creek). Continue driving in one of the four lanes on the left of the road, following signs to Jebel Ali. After approximately 6km turn off right at exit 53, signposted to 'Trade Centre, Za'abeel'.

Follow the signs for Trade Centre and Za'abeel until you reach traffic lights on the World Trade Centre roundabout. Take the 3rd exit off the roundabout, signposted to Jebel Ali. After approximately 50m take the first right into the service road. Take the next right turning, immediately on your right after entering the service road. The H Hotel Office Tower is the last building on the left.

From the West (Abu Dhabi)

The drive from Abu Dhabi takes approximately 1.5hrs.

Follow E11 East until exit 52. Turn off right at exit 52 and turn left onto Al Safa Street. Once you have driven over the flyover, take the next right (past the petrol station), then first right again. At the end of the road, at the traffic lights turn left. Follow the road for 2km. H Hotel Office Tower will be visible from the road on your right; take a right into the carpark entrance just before the road bends round to the right (heading to the World Trade Centre roundabout).

Parking

There is free valet parking.

CONSULTING
TECHNOLOGY
INNOVATION

We are an employee-owned firm of over 2,500 people, operating globally from offices across North America, Europe, the Nordics, the Gulf and Asia Pacific.

We are experts in energy, financial services, life sciences and healthcare, manufacturing, government and public services, defence and security, telecommunications, transport and logistics.
