## Directions by car/taxi

From south via Autobahn A8: Follow the A8 until its end in Munich, then keep going straight on Rosenheimer Straße. When you get to the end of Rosenheimer Str. Turn left and cross the bridge (Ludwigsbrücke) over the river and keep following the main road. At Isartor (Medieval City Gate) turn right onto Thomas Wimmer Ring. After 500m you will cross Maximilianstraße, however you cannot turn left so keep going and U-turn at the first opportunity (c 100m later) and come back south and then turn right into Maximilianstraße. Number 13 is on the right after the Four Seasons Hotel.

From the north via Autobahn A9: Follow the A9 to its end, exiting M-Schwabing, follow the signs to Messe ICM and you will end up on 4-lane Mittlerer Ring. Keep following that, as it takes you through a Park (Englischer Garten) and continue until the road splits always following the signage to Messe ICM. You will cross Prinzregentenstraße and keep going straight, 500m later you will reach Maximilianstr and turn right into it. Then proceed past the next two traffic lights and Number 13 is on the right after the Four Seasons Hotel.

From Munich Airport: Follow the A92 towards Munich until the Junction with A9 called Neufahrn, there keep heading towards Munich on the A9. Hereafter follow the same directions as from the north (above).

From main Station: On the middle circle follow the signs to A9 Nürnberg/Airport, at Oskar v. Miller drive into the tunnel and take the first exit on the right which will take you to Karl Scharnagl Ring. Turn right into Maximilianstraße (see above).

## Parking

The entry to the garage is in Marstallstraße to the right immediately before you get to Maximilianstraße 13. Ring the bell for Excellent Business Centre and say you are from PA Consulting Group and you will be allowed to enter. PA has a reserved parking spot, it is Number 1.08.

CONSULTING  
TECHNOLOGY  
INNOVATION
